### **Introductions and welcome**

The Mayor welcomed Board members to the meeting, including Councillor Kevin Davis, who joins the Board as London Council's executive member for health. Cllr Davis takes over from Cllr Teresa O'Neill OBE in this capacity and replaces Cllr O'Neill on the Board. The Mayor expressed his gratitude to Cllr O'Neill for her work on health and care for London and for her previous contributions to the London Health Board.

### **Minutes of last meeting (28 June 2016)**

The meeting record was agreed as a true and accurate record.

### **Health and care devolution**

Cllr Kevin Davis and Will Tuckley provided an update on progress with health and care devolution. In December 2015, London and national partners came together to describe their aim to test opportunities to transform health and wellbeing outcomes, inequalities and services in London through new ways of working together and with the public.

# LONDON HEALTH BOARD

## **Vision and ambition for the London Health Board**

The Board agreed to extend membership in order that mental health trusts and the acute sector are represented.

## **Priorities and progress towards the new Health Inequalities Strategy for London**

The Board discussed priorities and progress towards developing the new Health Inequalities Strategy for Londoners, with a provisional launch date of October 2017.

A set of specific priorities have been developed in collaboration with stakeholders and is based on a review of the evidence of what is driving health inequalities in London.

The Board agreed the following priorities for the health inequality strategy:

1. A healthy start to life
2. Healthy lifestyles
3. Reduced mental health inequalities

## **Thrive London - emerging proposals**

Cllr Hayward provided an update on progress with the detailed scoping phase for Thrive London. There a number of emerging recommendations. The priority areas of focus are:

1. Early years, children and young people
2. Supporting people with mental ill health into sustainable employment
3. Community strength and resilience
4. Vulnerable people and crisis
5. Suicide reduction and prevention
6. Improving everybody's understanding of mental health

Thrive London is being developed collaboratively so that it is inclusive of London's diverse communities and the range of experiences, strengths and needs they have. It is planned to be launched in Summer 2017.
